

## Relax-Nex usage and care instructions

Congratulations on your purchase of the Relax-Nex.

Having purchased the Relax-Nex you have chosen a TOGU® branded product which is “Made in Germany”!

It is made in conformity with the applicable EU regulations for sports equipment and is free of banned phthalates and heavy metals.

Relieve the spine. Sink into deep relaxation. Have your head supported by a smooth air cushion. During meditation, sunbathing or sports. May relief tension headaches. Hygienic and washable.

### Equipment details:

The Relax-Nex is made of high-quality Rulon and uses a needle valve for air regulation.

The Relax-Nex’s air pressure can be regulated by adjusting it with a normal ball pump at any time. So you are able to change the stiffness grade of the Relax-Nex.

Measures: 23,5 x 11cm

Load capacity: approx. 200 kg

### Thermal stability:

The Relax-Nex is UV-resistant and also heat-resistant to a limited degree. The can easily withstand temperatures of up to 45°C. However, the Relax-Nex should be kept out of direct sunlight (e.g. do not store in the window). The material softens as it gets warmer.

The Relax-Nex is also resistant to cold, but should nevertheless not be stored at temperatures below -10°C. The material hardens as it gets colder.

### Care:

Any mild standard cleaning agents and disinfectants can be used to clean the Relax-Nex. Solvent based, acidic or caustic cleaners will damage the material. The Relax-Nex is water resistant.
